

TERMS OF USE

June 19, 2018

Use of the Blue Accounting website (www.blueaccounting.org) is subject to the "Terms of Use" of The Nature Conservancy websites, available at <https://www.nature.org/about-us/governance/terms-of-use/index.htm>, and the below paragraph with respect to Third-Party Data (defined below). Please read the "Terms of Use" of The Nature Conservancy websites and the paragraph below as together they contain the terms and conditions applicable to your access and use of the Blue Accounting website, and form a binding contract between you and The Nature Conservancy. You agree that you will be bound by any changes to these terms and conditions. For your convenience, the date of last revision is included at the top of this page.

The Blue Accounting website may identify certain data or content on the website as being third-party owned or otherwise subject to third-party ownership rights (in either case, "Third-Party Data"). Ownership of Third-Party Data remains vested in the applicable third-party owner. Your right, as a user of the Blue Accounting website, to copy, distribute, publish, create derivative works from, manipulate, transfer or otherwise use Third-Party Data is subject to all terms and conditions the third-party owner may place on the Third-Party Data, including without limitation any terms and conditions stated on the Blue Accounting website with respect to the identified Third-Party Data.
