

## INDIANA: EXTEND SEWERS TO COMMUNITIES WITH FAILING SEPTIC SYSTEMS

The Adams County Regional Sewer District (RSD) is extending sewers to the communities of Pleasant Mills, Arcadia Village, Rivare, Linn Grove, and Monmouth/Roe Acres.

Within the community of Pleasant Mills, 223 homes with have been connected to the RSD. The sewer extension plan includes connecting, over the next few years, another 300 homes with failing septic systems that discharge to the St. Marys River.

The left photo shows septic discharge from a tile from the town of Pleasant Mills in September 2017 prior to the sewer extension. The photo on the right shows the same location post-sewer extension in May 2018.
